NORTHSTAR OPERATIONS

MANAGED SERVICES AGREEMENT

Contract version 2025 | NSO-MSA-017.1

Client: NORTHSTAR OPERATIONS LLC

Provider: AURORA TECHNOLOGY SERVICES LTD.

CONFIDENTIAL - FICTIONAL TRAINING DATASET

Created exclusively to demonstrate document version comparison.

Agreement details and purpose

Document ID	NSO-MSA-017 2025.1
Effective date	01 / JAN / 2025
Term	Twelve (12) months
Client	NORTHSTAR OPERATIONS LLC
Provider	AURORA TECHNOLOGY SERVICES LTD.
Currency	Mexican pesos (MXN)

1. Scope of services

The PROVIDER will supply managed cloud platform operation, monitoring, help desk, preventive maintenance, and technical incident management to the CLIENT.

2. Service deliverables

Services include availability monitoring, event logging, monthly performance metrics on request, periodic reports and an incident response process. Service level commitments are detailed in Annex A.

3. Parties and interpretation

The parties will designate operational contacts, maintain accurate records, and interpret obligations by the numbered sections and annexes. The signed agreement takes precedence over operational emails.

4. Fees and payment

The monthly fee for managed services is $185,000 MXN plus applicable taxes. Each invoice must be paid within 30 calendar days after receipt.

5. Service-level credits

When the PROVIDER fails to meet the agreed service availability targets, the CLIENT may request a service credit equal to 5% of the invoiced monthly fee. This credit is not a termination penalty.

6. Early termination

Early termination without cause initiated by the CLIENT will incur a termination penalty equivalent to 5% of the remaining contracted monthly fees.

7. Confidentiality

Each party will take reasonable measures to protect the other party confidential information. Disclosure to unauthorized third parties is prohibited except as required by applicable law.

8. Operational reporting

The PROVIDER will submit a quarterly operating report describing service availability, incidents resolved, response time trends and corrective actions.

9. Business continuity and recovery

The PROVIDER shall maintain a documented recovery plan, provide a 24/7 incident contact, and perform one documented recovery exercise each year.

10. Information security

The PROVIDER shall maintain documented access controls, confidentiality requirements, monitoring activities and an incident escalation procedure appropriate to the services.

11. Contract renewal

The initial term is twelve months. Either party may notify the other of an intention not to renew at least 30 calendar days before expiration.

12. Disputes and amendments

Amendments require written agreement signed by both parties. Any dispute will first be escalated to the contract owners for good-faith resolution.

Annex A — Operational commitments

Monthly availability	99.5%
Critical incident first response	4 hours
Monthly service fee	$185,000 MXN + taxes
Payment window	30 calendar days
SLA noncompliance credit	5% of monthly fee
Operations report	Quarterly
Recovery exercise	One per year

Annex B — Oversight and subprocessors

B.1 Coordination of reviews. The parties may agree in writing on compliance reviews based on operational requirements, including the scope and schedule of each review.

Approval of this agreement
